

Internship Experience Letter

Dear **Arjun Jayaraman**

TO WHOM IT MAY CONCERN

Congratulations on completing the “Data Analyst Internship” at Learnbay! It is with great Pleasure that we write to you to acknowledge your dedication, hard work, and achievement during your time with us.

Throughout the internship, you demonstrated a strong understanding of statistical analysis, machine learning techniques, data visualization, and programming languages such as Python and SQL. Your ability to apply these skills to real-world projects and assignments was commendable, showcasing your analytical thinking and problem-solving abilities.

During your Real-time project, it is particularly impressive, highlighting your proficiency in SQL, Power BI, Excel, Python, MongoDB, Tableau, Machine Learning. Your attention to detail and the insights you provided through your project were exemplary, reflecting your potential technical skills.

The experience gained during your internship will be invaluable as you pursue a career in the dynamic field of technology.

Date of Joining : October 2023

Date of Relieving : July 2024

Warm Regards,

Abhishek Gupta
